### Licensed Sprinkler Contractors

This list of contractors has submitted work to the UCFM office recently. Please note this list is not a comprehensive list of available contractors and is not meant to be. These contractors are not listed in any deliberate order or priority. Please verify contractor licensure prior to entering into a contract to install a sprinkler system. The list specifies which contractors are licensed to install fire sprinkler systems by the Department of Professional Licensing (DOPL), to test and certify fire sprinkler systems by the State Fire Marshal's Office (SFM) or do both. All systems must comply with NFPA 13 regulations.
